Departures are until 12am. Allowing our next visitors to also fully enjoy their stay.

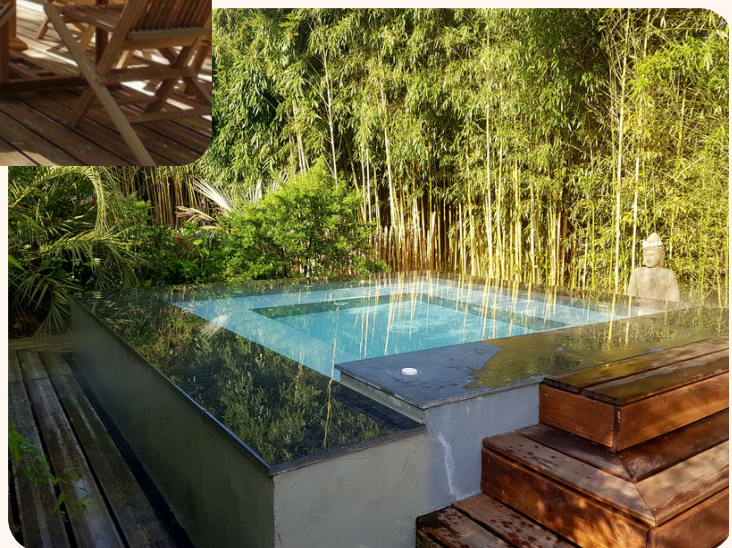

The deposit will be returned to you after having deposited your badge at the reception.

Camping rules

In order to allow you to have an excellent stay, we remind you of some extracts from the rules of procedure:

- The gates open at 8am and close at 11 pm
- The speed allowed within the campsite is 10km/h
- Animals must be kept on a leash
- Swim shorts are not permitted in the pool area
- Campers are asked to avoid noises and discussions that may disturb their neighbours, especially between 11pm and 7am
- Charcoal barbecues are prohibited on the pitches; a common barbecue area is at your disposal
- Campers are invited to respect the cleanliness of the common areas.

Eco-tourism

We integrate an ecological approach to the management of the campsite: ecological products, sorting and recycling, compost, energy efficient equipment...

All this allowed us to obtain the Ecolabel certification in 2023.

We are counting on your commitment to help us progress and be part of this project by taking the right steps:

- Turn off radiator if door or window is open
- Turn off the light if it is not needed;
- Favour cycling (rental at reception);
- Turn off/disconnect electrical equipment;
- Sort waste and compost.

Containers for recycling are available at the campsite entrance:

- Blue container for glass (jars & bottles).
- Black container for garbage bags.
- Yellow container for plastic and cardboard.
- Composter for your organic waste.
